

## Technical Specifications

Usage	Residential, Commercial, Institutional
Size	6" x 36" x 4mm Plank 18" x 18" x 4mm Tile
Sq. Foot/Carton	27
Gauge	4mm
Wear Layer	20mil (0.5mm)
Sound Absorption	Complies with EU Standards
Lead & Heavy Metal Content	ASTM F 963-08
Static Coefficient of Friction (Slip Resistance)	ADA Compliant / DS
Static Load Limit (PSI)	2000 PSI
Formaldehyde	E1 Compliant
Fire Behavior	B fl s1 (Class B)
Resistance to Staining	Resistant to Most Household Chemicals & Solutions

- **Aluminum Oxide Finish**
- **30 Year Residential and 15 Year Commercial Limited Warranty**
- **No Adhesive or Rolling of the Floor during Installation**
- **Anti Stat**
- **100% Dimensionably Stable**
- **Water Resistant**
- **Covers minor surface irregularities on existing substrate**
- **Cuts & Installs Easily with No Dust or Caustic Fumes**
- **Warm, Soft & Quiet Underfoot**
- **Simple Plank/Tile Replacement if necessary**
